To
The Secretary to Government,
Public Works Department, Madras.

Letter No. 57121-D2-52-7 Dated 31-10-53.

Sir,

Sub: Contracts-South Kanara District Special repairs and surface dressing with precoated chips to certain roads dispensing with tenders.

Tenders were called for by the Divisional Engineer, Highways, South Kanara Division for the six works mentioned in the statement enclosed. In the case of items 1,3& 6 tenders were called for again as the original premium tenders received were very high. Subsequently negotiation was carried on with the tenderers for all the works with a view to reduce the rates quoted. The lowest percentages obtained are indicated in cols. 4 & 5 of the statement.

2. The Superintending Engineer, Highways, Coimbatore considered that these rates were still high. He obtained an offer from one Sri A.C.Abdul Salam contractor to do the works and recommended that the works might be entrusted to him. Before obtaining the offer of Sri Abdul Salam, certain changes were sanctioned by the Divisional Engineer providing for these changes. The offer of Sri A.C.Abdul Salam was based on these workslips and his rates are indicated in columns 6 & 7 of the statement enclosed.

3. Though tenders were invited initially in all the 6 cases, tenders were not invited after the sanction of workslips. As the offer of Sri A.C.Abdul Salam is based on the workslips, sanction of competent authority is necessary for dispensing with tenders to entrust ~~xxx xx~~ work to Sri A.C.Abdul Salam.

4. As the works were urgent I permitted the Superintending Engineer to entrust the works to Sri A.C.Abdul Salam in anticipation of sanction of Government for dispensing with tenders in order to push through the works and complete them expeditiously.

5. In the above circumstances sanction may please be accorded to dispense with tenders in the case of items 1 to 5 whose cost exceeds Rs.25000/- and my action in having permitted the Superintending Engineer to proceed with the works in anticipation of sanction may please be ratified. Dispending with tenders in the case of item 6 which costs less than Rs. 25000/- is within my powers and orders will be issued by me.

for Chief Engineer (Highways)
